

ANNUAL REPORT

The Annual Report for 2021-22 is provided to the community of Matthew Alexander School as an account of its operation and achievements throughout the whole year.

Since its establishment in 2012, Matthew Alexander School has been striving for excellence in everything, whatever it performs. It always visions high and tries to build greater engagement with its all stakeholders by interacting with the wider community of school staff , students , parents , old students and other resource persons.

The foremost objective of the school has always been to produce human resources who are highly intelligent as well as caring for social welfare and environmental preservation .To meet this purpose, its students planted 400 plants at various places in the year and also campaigned against the cutting of trees . The school organized meeting with parents also to promote Sustainable Development by using less fuel – vehicles and planting more and more trees. Other activities like Water Management ,Water Harvest have been performed by students in the year. Regular field trips, excursions and tours have been organized to make students sensible towards nature and national heritage sites.

As a child centered approach of education , An art- integrated curriculum and interactive approach of teaching had been followed. The workshops like "Learning by Doing " and "Nature is the best teacher" have been conducted so that students must be able to implement their knowledge in social life. In addition to it, to enhance their source of knowledge , quiz competitions , project works , science exhibitions etc. have been organized which increased the general knowledge of the students and also taught them to be co-operative while working in groups. The quality education provided by experienced hands always brought hundred percent results in academic field.

The school promoted nationalism by celebrating national festivals and valued regional culture by conducting inter house competitions related with classical dances , folk dances , folksongs , choreographies etc.

ANNUAL REPORT

Sports meet in February and regular one day matches were played among the players of school Houses which developed their stamina, immunity system and also taught them how to cope with defeat and handle victory.

In the Morning Assembly . moral values i. e to have respect for national symbols , fundamental rights and to do fundamental duties , had been inculcated in the minds of the students . The students of reserved nature were motivated to present themselves on the stage . Birthdays of students are also celebrated in the assembly . The videos of their various daily performances are sent to parents and community.

Regular health camps and Hygiene programs were conducted to promote hygienic behavior of the students . The students maintained proper distance to prevent the spread of CORONAVIRUS epidemic . The school keeps proper maintenance of its gardens , lawns and parks to provide natural and healthy environment to the students.
